

a lot allot	I have a lot of homework this week. I will <u>allot</u> three hours to doing homework today.
accept except	I accept your apology for cutting me in line at Diversions. I've tried every coffee flavoring, <u>except</u> lavender.
addition edition	In <u>addition</u> to everything else I have to do, I have a dentist appointment tomorrow. Professors usually prefer for you to have the latest <u>edition</u> of the textbook for class.
aesthetic ascetic	The Chihuly glass exhibit adds an ethereal feel to the <u>aesthetic</u> of Wyatt. Many students have different study habits; some are more <u>ascetic</u> than others.
affect effect	Sleep deprivation and endless consumption of energy drinks will eventually <u>affect</u> your health. The energy drink had an <u>effect</u> on the student's productivity.
are our	We <u>are</u> Loggers! ...but <u>our</u> mascot is the grizzly bear...
board bored	I enjoy long <u>boarding</u> down Commencement Walk on sunny days. If you ever find yourself <u>bored</u> with an assignment, try to find an angle or aspect that captures your individual interest.
born borne	President Crawford was <u>born</u> in St. Louis, MO. My current time management skills were <u>borne</u> of terrible procrastination habits, many nights of sleep deprivation, and frantic attempts to meet paper deadlines.
brake break	Learning how to <u>brake</u> in the UPS vans can be tricky. After studying for my biology exam, working through my music theory homework, and reading my articles for religion class, I'm ready for a <u>break</u> .
capital capital Capitol	Washington, D.C. is the <u>capital</u> of the United States. In class, we debated the ethics of <u>capital</u> punishment. I visited the <u>Capitol</u> in Washington, D.C.
complement compliment	The green ivy nicely <u>complements</u> the red brick of the academic buildings and residence halls. My friend has the widest grin; they always receive <u>compliments</u> on their smile.
conscious conscience	We are very environmentally <u>conscious</u> at Puget Sound. My <u>conscience</u> keeps me from doing unethical science because I know that unethical science is bad.
discreet discrete	I <u>discreetly</u> slipped a letter to a friend in the Campus Cursive box in Diversions. The Politics and Government department has four <u>discrete</u> areas of concentration: U.S. Politics, Comparative Politics, International Relations, and Political Theory.
emigration immigration	The transfer student's family <u>emigrated</u> from their home country with the intent to live somewhere else. The transfer student's family <u>immigrated</u> to this country from their home country.
forth fourth	Baking chocolate chip cookies brought <u>forth</u> nostalgic memories of my childhood. Many <u>fourth</u> -year students are expected to complete theses for their respective disciplines.
